AAA Trading operates on an execution only mandate and unless agreed otherwise is under no obligation to monitor or advise the client on the suitability of their trading decision, therefore, the Firm may execute an instruction received by the client even if such transaction is not suitable for the client.
Upon notice to the client, AAA Trading reserves the right to amend, from time to time, both the trading conditions and execution rules. Even if the Firm amends any part of the trading conditions and/or execution rules the client continues to be bound by the Client Agreement, including but not limited to any amendments that have been implemented.

Client Classification

1. Unless the Firm agrees otherwise, the client shall be treated as a Retail Client.

If a client desires to be re-classified as either a Professional Client or an Eligible Counterparty then the client needs to send the Firm a written request. The Firm shall consider such requests at its discretion after reviewing the client's circumstances, including the quantitative and qualitative assessments. The client is responsible for notifying the Firm of his/her change of personal circumstances.

The type of client category will determine the level of protection afforded to the client under SCB Rule and Regulations. The Firm will notify the Client in writing to inform them of their loss of certain regulatory protections prior to agreeing a re-categorisation request.

2. The client is bound by the Client Categorisation Notice. Further details are available online at www.aaatrading.net.

Capacity

1. AAA Trading shall act, at all times, as principal for all trades entered into by a client.

Any instruction received online through a client's personal trading account or by telephone confirming a client's personal trading account number, will be deemed to be communicated by the client. The Firm is not required to confirm the authenticity of the instruction or the identity of the person communicating the instruction. The Firm shall not be liable for any loss arising from an

instruction sent by a third party unauthorised to act on the client's behalf.

The Firm does not accept an authorised representative as a client, unless specifically agreed otherwise. However, the authorised representative may give trading instructions to the Firm on the client's behalf.

The client authorises AAA Trading to rely and/ or act on any instructions sent by the former, without the need on the Firm's part for confirming the authenticity of the instruction or the identity of the person communicating the instruction.

Assurances and Guarantees

1. The client assures and guarantees that:

the Funds, according to clause 10.1 below, belong to the client and are free of any lien, charge, pledge or other encumbrance;

The client guarantees the authenticity and validity of any document sent to AAA Trading during (i) the account opening process and (ii) the life of the trading account.

Client Money

1. Unless otherwise indicated, AAA Trading will deposit any Client Money in one or more segregated account(s) held with an institution within or outside The Bahamas, separated from the Firm's money; this means that Client Money is treated as belonging to the Client and under no circumstances the Firm will use Client Money, at any time, to meet any of its obligations. The Client Money will be pooled with money belonging to other Clients so an individual Client will not have a claim against a specific sum in a specific account, in the event of insolvency. A Client's claim will be against the Client Money pool in general. It should be noted, that segregated account(s) will be established, maintained and operated according to the applicable rules and regulations. AAA Trading will give instructions to the banking institution(s) regarding the transfer and movement(s) of the Client Money. If the Client has an Open Position the Firm reserves the right, at any time and at the Firm's sole discretion, to set-off any unrealised losses incurred in respect of an Open Position against any of the Client Money that is held by the Firm to the Client's credit. In effect, this means that the Firm based on the conditions referred to above may transfer any part of any unrealised losses from an investment-grade institution to an account of AAA Trading. At the same time, AAA Trading may transfer any unrealised profit incurred as a result of an Open Position from a Firm account to a Client Money account held in an investment- grade institution.
2. Client Money held outside The Bahamas may be subject to the jurisdiction of that territory and client rights may differ accordingly. AAA Trading shall not be responsible for the solvency, act(s) or omission(s) of any banking institution with which Client Money is held. However, AAA Trading will exercise all due skill, care and diligence in the selection, appointment and periodic review of the institution where the Client Money is deposited.
3. AAA Trading is not obliged to pay interest to the client for the Funds deposited.
4. AAA Trading may, from time to time, without the client's permission merge the Funds held in different trading accounts under the client's name. Under no circumstances does this imply that the client has the right to a credit facility.
5. The client has the right to withdraw to their vault, any part of the Funds equal to the free margin that is available in the relevant trading account, at any time, provided that there are Funds available.
6. The client accepts that the Funds shall be credited in his/her vault on value date on which the Funds are received by the Institution. The Funds deposited in a client's trading account shall be net of any transfer fees or other charges incurred by or charged to AAA Trading that are imposed by the Institution (or intermediary involved in the process) that holds the Funds.
7. The client accepts that the Funds shall be credited in his/her vault only if the Firm is satisfied that the Funds have been sent by the client or his/her authorised representative. Where the Firm has reasonable grounds to believe that the Funds have been sent by a third party other than an authorised representative, the Firm has the right to reject the Funds and return them to the remitter's source, net of any fees or other charges incurred.
8. The client accepts that withdrawal of any part of the Funds shall be concluded using the same transfer method and the same remitter as the one from which the Firm originally received the Funds. Under such circumstances, AAA Trading shall return the Funds requested net of any transfer fees or other charges incurred.

9. AAA Trading reserves the right to decline a withdrawal that the client requested using a specific transfer method and has the right to suggest an alternative.

10. If, at any time, AAA Trading is not satisfied with the documentation provided by the client in relation to a withdrawal/deposit, the Firm reserves the right to reverse the Funds to the source from where the funds were sent, net of any fees or other charges incurred.

11. The client accepts that the Institution may reverse the Funds for any reason. As a result, the Firm shall immediately reverse the respective amount from the trading account to the source from where the Funds were sent, net of any fees or other charges incurred. The client accepts that this may result to a negative balance in the trading account. Under such circumstances, the Firm may merge the Funds held in different trading accounts as described in clause 10.4 above.

12. The client accepts that any requests in relation to the administration of the trading account shall be made through AAA Trading's app or website (www.aaatrading.net).

13. AAA Trading shall take all reasonable steps to ensure that the client is informed regarding the progress of any requests referred to in the 'Client Money' section, specifically in relation to the expected processing time and the need for any, or any further, documentation that if not in place may delay the processing.

14. If at any time the client's trading account has Funds of less than USD 15 (or currency equivalent), AAA Trading reserves the right to close the trading account, after notifying the client accordingly.

15. The Firm reserves the right to close an account in connection with an unclaimed client money balance and releasing any client money balances from segregated client bank accounts if: there has been no movement on the client's balance for a period of six years; and the Firm has sent written notice to the client at the last known address informing the client of the Firm's intention of no longer treating that balance as client money, and giving the client 28 days to make a claim.

16. The client can be informed about the processing times for deposit/withdrawals through the Firm's official website.

17. AAA Trading reserves the right to request additional information and/or documentation to satisfy itself that the client's requests concerning his/her deposits/withdrawals are legitimate, and reserves the right to reject such requests if it deems it illegitimate. Furthermore, the client accepts that under such circumstances there may be a delay in processing these requests.

Charges

1. If the client's trading account is inactive for a calendar year, AAA Trading reserves the right to charge an annual account maintenance fee of USD 15 (or currency equivalent) in order to maintain the trading account open.

2. Prior to trading CFDs the client needs to consider any applicable charges such as spreads, commissions and swaps. The client is solely responsible for requiring clarifications from the Firm in relation to the above, if necessary.

3. The client should note that not all charges are represented in monetary terms (for example, charges may appear as a percentage of the value of a CFD); therefore, the client needs to ensure that he/ she understands the amount that the percentage amounts to.

4. AAA Trading reserves the right to change, from time to time, any of the charges applicable to the client without prior written notice. The latest information shall be found online at www.aaatrading.net.
5. The client should note that any applicable charges shall be instantly deducted from his/her trading account.
6. The applicable spreads, including AAA Trading's mark-up, if applicable, and commissions charged when placing a trade are available online at www.aaatrading.net.

9. From Friday to Monday swap is charged once and from Wednesday to Thursday swap is charged in triple size. It should be noted that AAA Trading charges its own interest; the rollover interest rates of AAA Trading are based on the overnight rate provided by Bloomberg. The Firm updates such rate as often as it deems necessary.
